SKILLS

Languages: C, Python, C++, HTML, CSS, javascript

Tools/Platforms: MongoDB, MySQL

Soft Skills: Problem-Solving, Teamwork, Adaptability

PROJECTS

Caretaker Booking & Management System | *HTML, CSS, JavaScript, MySQL*

June' 26

- Developed a web-based platform to connect people requiring caregiving services with suitable caretakers, simplifying the process of finding and requesting caretaker services.
- Implemented user registration, caretaker profiles, booking requests, and an admin module, with MySQL used to store and manage user, caretaker, and booking information.
- Successfully implemented 3 core modules User, Caretaker, and Admin covering the complete
- booking workflow from caretaker selection to admin coordination.

Smart Electrical Fault Detection System | *Arduino, ACS712, ZMPT101B, LM35, Relay, Buzzer, LED*

Oct' 25

- Developed an electrical fault detection system using current, voltage, and temperature sensors to identify abnormal conditions such as overcurrent, voltage fluctuations, and overheating.
- Implemented an automatic power cut-off mechanism using a relay, disconnecting the electrical load when a predefined fault condition was detected.
- Successfully demonstrated 3 key safety responses overcurrent, voltage fluctuation, and overheating detection with automatic load disconnection and fault alerts.

COMMUNITY DEVELOPMENT PROJECT

Northeast Ujjiwan Foundation (NGO)

Community Development / Social Service Training

Jun' 26 – Jul' 26

- Participated in community outreach activities and learned about the NGO's work in addressing local social and community needs.
- Assisted in flood-relief activities, including ration packing and distribution to affected families and visiting
- Supported field activities involving community interaction and learned practical skills in teamwork, communication, coordination, and social responsibility.

CERTIFICATES

Introduction to Artificial Intelligence | *Infosys*

Mar' 26

Machine Learning with Python | *Coursera*

Feb' 26

Effective Time Management | *Tech Veda*

Oct' 23

EDUCATION

Lovely Professional University

Bachelor of Technology

Computer Science and Engineering; CGPA: 8.46

Phagwara, Punjab

Aug' 25 – Present

Delhi Public School

Intermediate

Percentage: 81.2%

Assam, Jorhat

Mar' 25 – May' 25
